# Invitation

## HANSEartWORKS in Brunswick

# Dear representatives of the Hanseatic cities,

each year, HANSEartWORKS presents high-quality art at the International Hanseatic Day.

As a distinct part of the Hanseatic Day programme, HANSEartWORKS contributes to the event's shared aim: to inspire and build friendships across national borders while exploring the present, the future, and social issues. During the International Hanseatic Day, artistic expression plays an important role in broadening perspectives and providing insights into the issues that concern us.

Please share the attached invitation to HANSEartWORKS 2027 with your artists.

The theme for HANSEartWORKS 2027 is 'Fusion matters'. We look forward to receiving submissions from all artistic disciplines.

Please submit the application of your nominated artist or artist group by 31 January 2027.
