ARTIST BOOK
"CONNECTING VALUES"
From now on an artist's book will build a bridge between all HANSEartWORKS exhibitions.
HANSEartWORKS

ARTIST BOOK

Therefore a handcrafted book had been made in Lübeck in a style that combines the book-art of the Middle Ages with modern times.
HANSEartWORKS

ARTIST BOOK

The idea to connect values has already been a component of the HANSEartWORKS exhibitions since 2007 and is now titled of the book:

„CONNECTING VALUES“
The Brilon Declaration, which reflects the current discussion about the values of the International Hanseatic League, was chosen as the books starting point.

Artists of HANSEartWORKS exhibitions are now asked to accompany the discussion about the values of the Hanseatic League in an artistic way.
The artist’s book will be passed on at every Hansa Convention and will (hopefully) accompany further development for 200 years.

We hope that all Hanseatic cities will participate in the artist’s book. In this way it could become a book that documents the history of the Hanseatic League in a unique artistic way.
Vormann Jan Lindenau is signing his greetings.
Der Titel dieses Buchprojektes „Worte schreiben“ ist dabei gemeint, dass man an der Entwicklung und Verbreitung der Künstler, die sich für die internationale Hausgemeinschaft und für die Hansestadt, finden. Wir möchten, dass die Worte, die der Internationale Hanse „Artworks“ in der Gegenwart ausstrahlen und in der Zukunft prägen werden.

Die Hauskerne, die sind vor Vollzeit und Gemeinschaft sind nicht als Gegner in der Welt, sondern als geliebt und erzählt, Realität als ein Test unseres gemeinsamen Kulturhofs mit seinen regional vielschichtigen Faszinationen.

Im diesem Sinne wünsche ich Ihnen Kunst, Künstlerfreunden und Künstlerkollegen, Hanseaten und Interessenten, einem anregenden und spannenden Kunstgenuss.
